Subject: Walmart Bank

Sir,

Please do everything in your power to block out Wal-Mart stores and banking.

This filthy third world store is a pox on neighborhoods throughout America.

Give Wal-Mart 3 months after the grand opening and the area looks like
Guadalajara et al.

We do not want this degenerate plague in America closing down Mom/Pop small
business' and scumming up our neighborhoods.

Thank you in advance.

Carol, Ahwatukee, AZ
